## CLASS OF '54 HEADED BY JOHN GERHART, WANDA HUELSEMANN, HEDY SCHROF AND RON RECHER

Last year the Junior Class looked into the future just long enough to choose their officers. A petition had to be signed by at least twenty-five students in order to have the name of the candidate placed on the ballot.

After careful thought the class voted and the officers who were chosen to lead them in their Senior year were: John Gerhart, President; Wanda Huelsemann, Vice-President; Hedy Schrof, Secretary; and Ron Recher, Treasurer. These students were chosen for their capability and readiness to assume responsibility.

They have fulfilled their jobs to the best of their ability and have helped to make this a successful year for the Class of '54.

The following twenty-nine students have maintained high scholastic averages during their years at Hughes. This year the Honor List is based on the "A" taken as four points. The highest possible average is thirty-two.
