

THE CHEERLEADERS INSPIRE US WITH MANY OF OUR FAVORITE CHEERS

Mrs. Kizer, with the cheerleaders, witnesses the portrayal of her husband's eventful life.

The Hughes High School Pep Club was reorganized three years ago under the co-sponsorship of Mr. Robert McSpadden and Mr. Milton Anderson.

Last year, Mr. Portune and Mr. Anderson were the sponsors. The club bought new uniforms for the cheerleaders and had a very successful year.

This year, Mr. Martin replaced Mr. Portune. The original membership of the club was six hundred. A cheering section was reserved at all the football games. Members, with megaphones and shakers, made a very effective cheering section.

All members of the Pep Club are required to sign a pledge, stating that they will follow the cheerleaders' suggestions, show good sportsmanship at all times, and not misuse any of the Pep Club's equipment.

Each year, the sophomores vote for four sophomores to be the cheerleaders next year. This year's juniors were: Priscilla Chase, Diane Drohan, John Bronough, and Jim Dietz. They will be the senior cheerleaders next year, replacing Ceci Divens, Eileen Johnston, Bob Bang, and Ron Kull.

The Pep Club activities for 1954 consisted of holding pep assemblies, making signs and advertisements for the games, and staging Red and White Day. Again as in other years, the club, along with the **Gargoyle** staff, sponsored the Senior Popularity Contest and Cupid's Fling Dance, the climax of which is the crowning of the King and Queen of Hearts. This year's winners were Janie Cook and Doug Taylor.

It has been the policy of the Pep Club to do their best to arouse and maintain the school spirit for the student body and to encourage our athletic teams to higher achievements. Much thanks is given to Mr. Anderson by all the Pep Club members for all he contributed in the development of the club.
