

## CLIFTON QUINTET STOMP RIVALS

Hughes climaxed one of their most successful seasons by defeating Western Hills, the P.H.S.L. champions, 77 to 64. The "Big Red" squad therefore captured third place in the Public School League ahead of Withrow, our traditional rivals. We handed the "Tigers" two defeats in both the contests and removed the threat to our position in the league. The only rival between the Hughes Basketeers and a first place tie was the Walnut Hills squad to whom we dropped both of our games by a close margin. The final and much improved record of the team came to 13 wins with only 6 defeats for all the games, for the P.H.S.L. our record was 8 wins with 4 losses. We all hope that next year's team will be able to do as well as the 1954 squad.
