

Julian Cohen shows his famous backhand

Hoping to equal the enviable record of last year's tennis team of Dean Moore, Roger Parry, Sam Ulmer, and Bill Grimes, who placed second only to Western Hills in the PHSL, the 1954 Hughes netsters boasted a trio of returning lettermen. Julian Cohen, Bob Butz, and Jack Huber spearheaded the Big Red drive to victory.

The teams of Western Hills, Withrow, Walnut Hills, and Belleview fell under the combined efforts of the team, highlighted by Cohen's famous backhand work. Difficulty in the Wyoming and New Woodward contests proved the only cloud in the sky of success for Coach Grimes' aces.

In one of the best games of the season, Cohen defeated rival Hammill of Walnut Hills for the city singles championship.

After the successes of this season, Hughes fans can look forward to similar triumphs when Dave Cook and Jim Grimes, sophomores, who played excellent reserve games this year for the next series.
