COACH MORGAN JONES

This year's gold crew, with a supporting cast of two returning lettermen, are expected to topple the crown from the Tower of Withrow. Last year the Hughes Linksters finished second in the Public High School League, following the Tiger.

Ray Spiess and Dick Jones are the returning lettermen. Ray Speiss, a senior and a three-time letter winner, has faced rough rivals in his long experience with golf. Dick Jones will follow-up with Speiss in the one-two punch effort to tackle PHSL Play. Both hit with an average score of 75; which is a good score in high school competition.

Other members of the Linkster are Bill Hagen, Bill Brown, Jack Farrell, and Dave Yoder.

Their mets were:

April 20 . . . . . Central at Kenwood  
April 26 . . . . . Walnut at Losantiville  
May 3 . . . . . Norwood at Losantiville  
May 10 . . . . . West Hi at Western  
May 17 . . . . . Withrow at Losantiville  
May 22 . . . . . Tournament
