

A G.A.A. Board Meeting with Pat Sharrock, President, presiding

1953 Honor Girls—Marilyn Harris and Joan Baschang

Each year the outstanding G. A. A. girl, chosen from her competition for her personality, leadership, and above all, her good sportsmanship, is presented with a ring by Mr. Kizer at the annual banquet. Last year, two girls ranked so closely together that awards were given to both of them. They were: Joan Baschang and Marilyn Harris. To be the honor girl is every G. A. A.'er's goal and in approaching this horizon, she recalls the words of the G. A. A. motto:

For when the one great scorer
Comes to mark against your name
He puts not what you've won or lost
But how you played the game.

To be in G. A. A. a girl must earn 75 points. This is done by participating in one of the wide variety of sports offered by this organization. Her membership entitles her to attend the playdays where she meets G. A. A. girls from other schools. Another traditional event is the G. A. A. picnic when the jovial members invade the peace and quiet of Burnet Woods, armed with baseball bats, hot-dogs, and marshmallows. G. A. A. girls also sell programs at the Hughes football games and in the halls at school.
