One of the most popular of the G.A.A. sports, as proved by the large number of girls who come out for it, is the fast-moving game of volleyball. This sport gives many girls the chance to work together as a team. Each girl has a chance to shine as it comes her turn to serve the ball neatly over the net onto the enemies' court. Each member of the team has a certain place on the court to cover; but on many occasions she must run to aid her neighbor. The teams that played this season follow:

Junior Dragnets, Hilltoppers, D.K.B.'s, Nets and Lets, Little Reds, Big Reds, Squaws, Sparks, Orchetts, Little Skippers, A.S.P.'s.

The annual volleyball play day is looked forward to by all the girls for then they have a chance to enter a ripsnorting tournament in which they have to battle with G.A.A. girls from Withrow, both Woodards, New Central, West Hi, and Walnut Hills. Volleyball sportleader is Janice Krell.

'' LOOK MOM , I'M LEARNING ! ''

Lasses make with the footwork.

Over the net is aim of girls.
