Services to the school and worthy causes are the activities of this organization. In 1919, Mr. Elmer W. Kizer, Hughes' principal, was the first to establish a club of this kind. The present Hughes club is capably sponsored by Mr. Ben F. Fulks, assistant principal. Junior boys who have good character and scholarship rating are eligible for membership. During the past years the members have proven themselves worthy of any praise that they might have received, for besides taking over the job of lunch line guards, they also furnish the school with the cheerleaders.

SENIOR HUGHES CLUB
