

## JUNIOR HUGHES CLUB

Busy with the many school activities the club found time to sponsor the John Alden-Priscilla dance and to sell sportswear, both of which helped to reimburse their treasury. Among this turmoil a relief finally approached with the month of June and plans were made concerning the annual trip to Brown County Indiana. The boys happily departed on Friday to spend a frolicsome week-end away from the noise of the city. Like the sun of the horizon this club will also rise and shine in memories of the men of tomorrow.
