

Togati, the Hughes Latin Club, is sponsored by Miss Gladys Busch. The purpose of the Club is to assist its members in increasing their knowledge of the ancient Roman civilization, and in becoming aware of the debt that the modern era owes to the ancient Romans; also to promote a feeling of fellowship among its members. This is accomplished by programs of great variety. Among its activities are the selling of Christmas cards for the Christmas Fund, and its greeting card and novelty booth at the bi-ennial Carnival.

Le Cercle Francais, whose monthly meetings offer an opportunity for the use and enjoyment of the French language in social situations, is under the capable direction of Mrs. Mary S. Howell, head of the French department at Hughes.

Helping the needy and unfortunate at Christmas is a traditional project of the organization.

At the biennial Hughes Carnival the French Club adds an air of old world sophistication, and always brings in a generous contribution to the general coffers.

Games, singing, and movies have contributed much to the year's fun and education.
