

Y - T E E N S

The Y-Teens, one of the oldest clubs at Hughes, has gained two new sponsors this year. Mrs. Mary Jane Doepke and Miss Jessie Hollweck have made their first year a success by carefully planning money making projects such as the earring sale. A most interesting girl-boy relations panel provided an arousing discussion for both the Hi-Y and Y-Teen members. Along with the many new additions to Hughes the Y-Teens have organized a Junior High club, which has created understanding between the young and the old.
