MERCHANDISING

The Merchandising Club is limited to Hughes High School seniors, who co-op in downtown department stores. The class of co-ops is very well organized and is under the expert supervision of Mrs. Elizabeth Shields.

Many of the club's events occur after mid-term exams. Included in the club's activities were interesting field trips to Proctor and Gamble, Fashion Frocks and other business establishments.

At the end of the school year, a cash award is given to the outstanding merchandiser. This award was provided by the Sales Club of Cincinnati.
