

Mr. Alan Kindschy, has conscientiously performed his duties as sponsor of this honorary club for boys who have attained a letter in various fields of sports. The members contribute to Hughes society life an annual Sports Queen dance. The boys elect a girl candidate for each sport and the queen is crowned at the dance. This year's queen was Rose Sponaule, who represented baseball.

Besides having good times the boys seriously try to act like wholesome teenagers and create high ideals as they travel toward horizons.
