

# T H E G R E E K S

The Hughes Interfraternity Council, under the capable direction of Miss Hazel L. Koppenhoefer and Mr. Paul Bowers, is an organization primarily established to promote and maintain understanding and harmony among social clubs.

Other important goals of the group consist of striving to gain better relations among school, school organizations, and social clubs, open discussions and debates to help solve the many various problems, coordinating activities and dates without conflict, and carrying out Board of Education regulations for the benefit of all concerned.

The Council, founded in 1948, had as its first president Robert Campbell, an outstanding student. Ronald Brenner and Dean Gaudin, both of the Class of '51, were in charge of writing the original constitution.

Since then, there have been many worthwhile activities, in which the council strives to show that their work and ideas are mostly constructive, to become annual affairs. The trip and entertainment at Longview State Hospital, The Wesley Home for the Aged, and the Hamilton County Home are a few of the more prominent of such activities.

The Council also takes an active part in campaigns for the less fortunate, such as the Muscular Dystrophy and Crippled Children Drives.

Developments for further improvement have been constant. One of the most recent has been to include all student activities, as well as social clubs, in the Council, in the hope that all students will ultimately benefit.

## CHI OMEGA SIGMA

Chi Omega Sigma was started in 1923 by a minister as a Sunday School group. After functioning for a few years, it was decided to adopt a constitution as a fraternity, and becoming the Alpha Chapter, have its home at Hughes.

In the face of newly built schools, 1932 saw the beginning of a chapter at Western Hills High School. Later another branch was founded at Withrow. Still spreading, Norwood High School opened a new unit. This concluded the expanding until a chapter was established at the recently built Woodward.

As the Mother chapter, Alpha has been the everlasting strength of the joined fraternities.

The religious ceremony of formal initiation is outstanding today as the symbol of friendship between the members and their organization.
