DELTA CHI DELTA

In 1924, Delta Chi Delta Sorority began to bloom at Hughes High School. This few group of girls gathered together to practice their high ideals of truth, honesty, and loyalty.

As the years progressed, the membership expanded and the friendship bonds among the girls grew stronger. They participated yearly in such activities as contributing entertainment to the County Home. The sorority's colors of black and gold are outstanding and can be recognized at football games in the Fall and other gala events in which the Delts take part. The second annual "Sorority Spotlight" was a huge success and everyone who attended found themselves enjoying every minute of it. The Delts who are known for their initiative, have been industriously planning the pattern for their future lives.

DELTA KYTYVES

In October, 1932, a small group of hopeful girls at old Hughes High organized Delta Gamma Phi Sorority. In November, 1934, the name was changed to Delta Kytives, Beta chapter.

The twelve girls struggled to achieve success, and slowly the name of Kytives began to climb the ladder of esteem, until, back in 1935, it stood side by side with sororities of background and long standing.

Helping to bring joy into the lives of others with such things as Thanksgiving baskets, drives for the less fortunate, and parties for the children at the Convalescent Home has always been an important phase of the sorority.

Although trends of that past era differed, to some extent from those of today, certain things, as the thrill of pledging, happiness and tears at Formal Initiation, and the warm, matchless companionship with sorority sisters, will never change.
