SIGMA DELTA CHI

The Alpha chapter of Sigma Delta Chi was founded at Withrow High School in 1930 and brought to the Clifton Palace in 1933.

The Sigmas take pride in making stuffed animals and other clever objects for the grateful children at the Emanuel Day Nursery. This annual project takes place during the Easter vacation. Each girl taking part finds herself attaining the club's motto of Honor, Friends, and Loyalty.

Among their social functions, the Sigma's enjoyed themselves at a delightful Open House party during the football season. Another gay event occurred at Christmas time in the wee hours of the morning when they exchanged cunning gifts and then dropped off to a deep slumber filled with memories of the years of progress and hopes for the enchanting future.

TAUSIA

Created many years ago as a social club, Tausia has long remained not only a club in which girls who have a common bond may gather, but also a symbol of scholastic achievement and high ideals. To her members, she stands as a solid foundation upon which they may rely at all times. She is as a ship, guiding them onward through their seas of trouble and storms of care. A firm belief in God, who guides that ship, is shared by the girls of today who will make the women of tomorrow. Her goal is, in part, not only to provide for her members a rounded social life, but to give them a sound basis for their thinking at the present and building new horizons for the future.
