## Chi Delta Beta

Alpha Beta Chi is the youngest local sorority. It was organized by a few girls from Withrow in the month of May of 1951. It has gained great popularity because of the honest and sincere workers in it. This club sponsors many activities such as an annual fashion show, annual dance, slumber parties, skating parties, Mothers and Daughters' tea, picnics, and lawn parties. There are also the community projects undertaken. An innovation this year was a sewing party.

With the activities already mentioned and with clean honest fun, Alpha Beta Chi hopes to prepare the young girl of today to be a better woman of tomorrow.

One of the smallest sororities, Chi Delta Beta is already steeped in tradition. The social club was formed about four years ago, when its senior members were only freshmen.

Yearly the members produce and direct a variety show for the shut-ins at Hamilton County Home. They give candy and fruit to the Allen House and the children's home at Christmas. Every Thanksgiving the girls donate a basket to some needy family.

The sorority sponsors several date parties, one informal and one formal dance annually. Yearly, beginning this year, the club plans to have a Spring Formal at the Wigwam Restaurant in Hartwell.

The girls of this group have pledged to uphold the high ideals of their organization.
