The Foreign Language department at Hughes offers students a wide variety of language opportunities. Today, more than ever before, there is a need for understanding among all peoples of the world. Through the study of one or more foreign languages a student helps eliminate the barrier that still separates neighbors in a rapidly shrinking world. Available at Hughes are Latin, Spanish, French, and German, each with its own unfolding of the customs and cultures around the globe. In addition, our own heritage has been modified by the varied national backgrounds of our ancestors. Understanding these backgrounds helps us to understand ourselves even more.
