

Mr. Cecil Karrick, new instrumental teacher, points out the right notes for a beginning class.

No one at Hughes High School is startled or surprised by the loud sounds coming from the third floor. It is a well known fact that all of our musical groups are contained on this one floor of the building. Under the direction of Mrs. Joan Cavally, who leads junior high singing, Mr. Bige Hammons, in charge of senior high music, and Mr. Cecil Karrick, our instrumental instructor, our school is kept well supplied with never ending music. Sweet sounds even to untalented ears.
