The Hughes Lunch Room is staffed with many competent helpers under the direction of Mrs. Alice Raible. At lunch time more than 2,700 students and 103 teachers dine at one of three lunch rooms on the first floor. Here attractive and nourishing meals may be purchased at a minimum price. Hot foods, salads and desserts are always available, and before each major holiday, such as Thanksgiving, Christmas or Easter, outstanding dishes with all the trimmings may be obtained. Mrs. Raible and her staff also prepare all banquets and formal luncheons scheduled during the school year.
