

Stage Crew

The Hughes stage crew, under the capable direction of Mr. Robert Portune, faculty advisor, and John Juhlman, stage manager, is composed of boys who are eager to gain experience in the technical aspects necessary to present a stage production.

To become a member of this crew, you must be a sophomore and have passing grades in all subjects, as there is a great deal of time involved both in class and out. Included in the many activities and duties are setting up scenery, adjusting lights and sound for stage productions and dances. All stage properties must be kept clean and in good working order. Once a year all scenery and stage rooms are cleaned out and reorganized.

FIRST ROW, left to right: Ron Tarvin, Dave Cory, Bill Kemner, Bill Christman, Ralph Taylor, Gene Henn, Robert Phillips, Frank Kling. SECOND ROW: Jerry Davis, Brian Davis, John Schinner, John Juhlman, Robert Portune, Art Webber, Bill Phillips, Nick Contaxes, Russ Henke.

Whenever the stage needs to be used, a member of the stage crew must be present. Often there are programs such as PTA and evening school assemblies that require their talents. During "Merry-Go-Round" and play rehearsals, the stage crew must be on the job from three o'clock until after the rehearsal to turn out the last light and make the final check.

We, the Annual Staff, wish to commend this group of "Unseen heroes" for their untiring efforts and the splendid job they have done.
