"Gargoyle" Staff

The **Gargoyle** is Hughes's weekly newspaper. Managing editors are eleventh graders, while students of all grades compose the staff.

Besides working on the **Gargoyle**, the staff corresponds with **Good Housekeeping** magazine. Here they submit articles of general interest to the editor of the teenage column, "Dateline."

Miss Hazel Koppenhoefer is staff advisor while Miss Gladys Kloak assumes the job of financial advisor.

Being a member of the staff brings many responsibilities along with the honors. Page editors must lay out their section exactly as it is to be printed, including the placing of articles, pictures, ads, and headlines.

Staff members write copy, features, and editorials. In addition to those who compose the editorial staff, there is an entire business staff, and a circulation staff which is in charge of distributing the papers to the various homerooms and to the many outside subscribers.

Numerous national honors have been bestowed on the **Gargoyle**, marking it as one of the outstanding high school newspapers in the country.
