Junior Councilors

In September many of us were new to Hughes, fearful, shy, lost in long corridors and dark stairwells. We wondered if we would ever be able to take our places in the whirl of activities we saw about us. Yet, with the passing of only a few weeks we discovered that there was a place for us in Junior High athletics, music and club work. This year held new and pleasant surprises as Mr. Byles organized Junior High Cheerleading, and Mrs. Cavally produced the colorful "Junior Highlights" show to display our talents. For the first time we had our own Student Council and our own place in the Hughes Annual. Our venture was not into space, of course, but a venture into living and growing together in one important segment of Hughes High School life.

Council President, Sheryl Freckman, and faculty sponsor, Mr. Melville Byles.
