

★ League and District Champions ★

Pictured here are the Big Red Harriers who captured both the P.H.S.L. and District Cross Country Championships. Coached by Mr. Alan Kindschy, the cross country team brought Hughes its first championship of the year. Coach Kindschy has piloted the hill and gully runners for the past eleven years, during which time his teams have won many championships. During the season the boys work out on the acorn track at Burnet Woods, and

long hours and hard practice sessions are the backbone of their training.

This year's meets were climaxed by the Southwestern, in which the Big Reds placed as follows: Bill Lower, fifth; Tom Whitaker, seventh; Walter Cooper, seventeenth; Charlie Schneider, twenty-third; Don Bahr, thirty-ninth; plus Fred Harris and Tom Jenkins.

Each member of the victorious team received a gold medal for his efforts on behalf of his school.
