During Coach Thomas' six years at Hughes, he has coached two P.H.S.L. championship teams. Mr. Thomas spent six years at other schools before coming here. He feels that the Hughes football team's chances of being successful are very dim, unless more boys come out and try to make the teams.

Next to Mr. Thomas stands Coach Lloyd Williams, who has spent three years coaching the "Big Reds." He attended Miami University where he was captain of the Miami "Redskins" in 1953. Also included in his football career were such honors as "All-Ohio" guard and being voted the most valuable defensive lineman of 1952.

Coach Will Hundemer has been at Hughes for two years, and has been a varsity coach since his arrival. Previously, he coached at Northeast High School, in St. Petersburg, Florida. Mr. Hundemer attended Bellevue High School in Kentucky, where he achieved all-state honors in football, basketball, and baseball. While attending the University of Cincinnati, Mr. Hundemer played quarterback for the 1950 Sun Bowl team, and in 1951, played guard for the National Invitational basketball team.

Beside Coach Hundemer, stands Hughes varsity backfield coach, Mr. Ray Hartker, who has been at Hughes for the past six years. He attended Ohio State University, where he played seven years of professional baseball. It is Coach Hartker's belief that Hughes is only two years away from another great winning season in football.

Varsity coaches are, from left to right, front row: Coach Will Hundemer and Coach Ray Hartker. Behind them stand Head Coach Howard Thomas and Coach Lloyd Williams.
