Harriers Crack District Barrier . . .

Varsity and Reserve Coach, Alan C. Kindschy.

This year, the Hughes Cross Country team, under the excellent guidance of Mr. Alan Kindschy, brought both the P.H.S.L. and the Southwestern Ohio District championships to Hughes. Hard work, fine coaching, and a desire to win, attributed to the success of the team. Outstanding skill was portrayed by co-captains Terry Davis and Walter Cooper, as well as Bill Lower and Tom Whitaker.

Cross Country requires confidence and endurance of the highest degree. Races cover two miles and are usually run at Avon Fields. There are seven members on each team, all participating at one time. The scoring is made by the individual places of the runners. The team with the lowest score total is the winner.

At the state meet in Columbus, Ohio, the "Big Reds" placed themselves fifteenth, which is indeed something of which we may be proud.

Following in the footsteps of the varsity squad, our reserve men, pictured above, rocketed high and carried back to Hughes the P.H.S.L. title. Aiding this squad with its success were Don Bahr, Lynn Mueller, and Mike Aaronson.
