

Poise and Girls

Modern Dance group welcomes
Spring to Burnet Woods.

At the opening of school the splash of water in the boys' gym every Friday indicated that the G.A.A. girls, under Sportsleader Norine Muhlberg, were learning to swim. Instructed by Miss Diane Mergler, budding water sprites practiced side stroke, butterfly and crawl. Later the daring advanced to diving instruction. Each lesson was followed by a relaxing free swim, and the large turnout was testimony that the girls enjoyed lessons and leisure in the water.

Approximately fifty of the one hundred fifty girls who came out for swimming remained by the beginning of March, and for the first time a swimming team was organized. Fifteen girls comprised the team, and this group was promoted to advanced swimming as a reward. The girls so honored were Dottie Richards, Nancy Shawhan, Gay Stocker, Carol Ziegenhardt, Carmen Bereskin, Jody Drohan, Norine Muhlberg, Carol Elwood, Sue Curry, Norma Mason, Garnet Long, Sue Spiess, Romaine Newmann and Antje Scheffler.
