Sticking With It

Cold days and sunny days alike many girls turned out to play hockey, despite the long walk to Fairview Park and the competition from Freshman football and the Marching Band. Many hours of practice were required to perfect the techniques of dribbling, passing and stopping the elusive puck. Tuesdays and Thursdays were hockey days, and the parade of athletic young ladies shouldering hockey sticks will long be remembered by the residents along Ravine Street. Under the direction of Mrs. Rita Lacher and Sportsleader Edna Menke the skills acquired during the season produced a winning team on Hockey Playday.
