

H- Club

H-Club acknowledges athletic ability and promotes good sportsmanship, integrity, high ideals, and good character. It was founded in 1948 by Mr. Alan Kindschy, and is presently sponsored by Mr. Loyd Williams. Membership is open to those boys who have earned and received a letter—"H"—in any of the various sports and activities.

The sale of basketball programs and the annual "Queen of Sports" dance, the candidates for which are nominated by members of the club, are the main activities of the club.

Our photographer catches H-Club members Mike Jahn, Rudy Muckenfuss, Jim Carter, Jerry Bullock, and Joe Compositor polishing the many awards and medals in the trophy case.
