

Honor League

The Honor League is one of the oldest service organizations at Hughes. It is composed of those senior girls who have proved themselves to be good citizens, and who have maintained a high scholastic average for two and one-half years.

The faculty sponsors are Mrs. Enolia Heile and Miss Aria Schawe.

Activities such as the "Big and Little Sister" party, operation of the Information Desk, the Christmas tea, charitable deeds, the annual Fashion Show, and at the beginning of the year, the Freshie Aids, all combine to form the nucleus about which the organization exists.
