

Senior Hi-Y

The present Hi-Y group was founded in 1943 by Mr. Paul F. Bowers, its present sponsor, the purpose being to create, maintain, and extend high standards of Christian character. Membership for the organization came directly from the Hughes Club. Hi-Y was responsible for the forming of the Krueck and Huzette clubs.

In the past, new members were elected by the club, so that in order to become a member, it was necessary to be in general accordance with the members in thought, word, and deed. Now, by new ruling and constitutional changes, members are selected by a panel of faculty members.

Also, this year, a second or "B" group of sophomores and juniors formed a club modeled after the junior and senior group, and plans were being made for a third group, consisting of junior high boys, which would operate opposite the other two groups.
