Huzettes

Huzettes Club is an honor organization for ninth and tenth grade girls. Members are selected by grade school principals, and, later in the year, ten additional members are received. Scholarship, leadership, and citizenship are the qualities required for membership in this service organization.

Under the faculty leadership of Miss Ann Rasche, the club contributes to the Hughes Christmas Fund, and goes carolling at Longview Hospital.

Krueck Club

The Krueck Club was founded in 1948 by Mr. Howard Grimes, in memory of former Hughes coach Edward "Red" Krueck. Freshman and sophomore boys with outstanding character, and practices in clean living, clean speech, clean sportsmanship, clean scholarship, and a willingness to serve, compose this club.

The sale of football and basketball schedule pencils, and, at Christmas time, the sale of the ever popular product, mistletoe, were the main sources of income this year.
