

Pep Club

The Hughes Pep Club is the largest club at school, with membership skyrocketing over the six hundred mark. Under the faculty leadership of Mr. Melville Byles, the club includes the cheerleaders and majorettes along with its enormous cheering section for football and basketball games.

The sale of ribbons, buttons, and pennants, the making of signs for games and assemblies, and the annual "Cupid's Fling" dance (pictured on preceding page) are just a few of the club's many activities.

The purpose of the Pep Club is to organize school spirit and get behind Hughes' teams, win or lose.
