

Faculty sponsors Mr. Paul F. Bowers and Miss Hazel Koppenhoefer aid carollers spread both good will and treats.

Tom Whitaker, Hep Cronin, and Judy Johnson pause and talk to a patient at Hamilton County Home.

Interfraternity Council, the governing body which regulates the activities of social clubs, is composed of representatives from each sorority and fraternity. Meeting bi-weekly to hear each club's individual problems, plans are made for many projects. This year at Christmastime, the council planned its carolling party. Three busses loaded with inspired young people, each desiring to spread good will, visited the Hamilton County Home, the Mt. Healthy Home for the Blind, and the O.E.S. Home, carolling and passing candy and fruit to the

patients. In addition, members of these clubs, working through the council, distributed and collected cannisters for the Muscular Dystrophy Association.

Miss Hazel Koppenhoefer and Mr. Paul F. Bowers serve as faculty advisors, and are also in charge of placing boys and girls into the various clubs.

At the close of school, the council gives a one hundred dollar scholarship to a selected senior, which is supported by profits from the numerous bake sales during the school year.

Interfraternity Council
