Tausia was founded in 1927. The members strive to live up to their goals of high scholarship achievement and to promote friendship among all classes of girls.

They take pride in their numerous charity projects during the year. As in the past, members devoted time to the making of a complete baby layette for a neglected infant, contributed a Thanksgiving basket, sold lilies for crippled children, and visited "Allen House."

Social highlights are Christmas and Spring formals, date parties, summer vacation at Chautauqua, and their "Miss Football" dance.
