Delta Chi Delta was founded at Hughes in 1924. Their purpose is to strive to promote truth, honesty, loyalty, and life-long friendship.

Their pin, which is diamond shaped, has twenty-four pearls mounted against a gold and black background.

Social activities including date parties, dances, and their annual mother's tea, along with charitable deeds such as Interfraternity caroling and donation of a Thanksgiving basket, are the main functions of this sorority.
