Triginta Optima

Triginta Optimi, the Latin derivation being "thirty of the best," had its founding at Hughes in April of 1895. Members try to meet the club's tradition of high ideals in scholarship, citizenship, and fellowship; at the same time promoting the religious aspects of a fraternity by attending church as a group at least once each month.

Activities of T. O. include the annual "Junior Miss" dance, date parties, and picnics. The club also participates in interfraternal sports, interfraternity and school projects, and charity work.
