Fireside College officers. Left to right: Sybil Preuninger, Romaine Neumann, Ken Keller, Carolyn Schmerr, and John Morrison.

Mr. Grooms and Class in a Geography Lesson.

The courses offered under the title, Social Studies, are anything and everything, from the beginning of man to the latest political advances. Current events are an important part of any social studies course. Mrs. Follinger has organized a current events club, The Fireside College. It meets during class time once a week.
