

Senior Class Officers of the Class of 1958 are:  
 Left: Ken Keller, treasurer; Barb Hafner, secretary;  
 Tim Fleming, president; Sibyl Preuninger, vice-  
 president.

## THE SENIOR CLASS OF 1958

These teachers, Mr. Bowers, Miss Heile and Miss Schawe are in charge of the three senior home-

rooms. They also sponsor any project or undertaking of the Senior Class.

Roads, highways, paths, and streets. All leading somewhere, "but where?" ask we, the seniors. Are we prepared to go out into this world of trials and tribulations; are we prepared to choose and successfully travel a turbulent road?

High school was just the beginning of the road for us graduates; preparing us to meet problems with an intelligent and healthy view, helping us to decide our life's occupation and giving us a basic knowledge of our world. From these four years some speed into work, military service, marriage and others continue their education in college. Yes, our

high school years have played a great part in our lives, no matter what road of life we follow.

We hope to remember our HUZ years, filled to the brim with activities. We have seen M-G-R seasons pass right before us, we've experienced the thrill of watching our championship basketball and football teams in action and above all we've had the fellowship of other young people.

So we, the graduates, thank Hughes for four progressive years.
