# 1958 ANNUAL

This year's annual has been dedicated to Mr. Elmer W. Kizer, retiring principal of Hughes. A senior publication, the annual has been sponsored by Mr. Robert Portune for the past two years. The work on the annual actually began several weeks before school ended last year with the selection of the staff by Mr. Portune. After a theme was decided upon, the section editors proceeded to make rough sketches of their sections. These were taken to Nashville, Tennessee, by Mr. Portune and the co-editors, Barb Hafner and John Morrison. Here, the printer made up a dummy of the entire annual which served as a blue print for the staff. Scheduling and cropping pictures, writing copy, headlines, and captions were the main jobs of the staff. The work of the annual staff is complete, but the memories which their efforts will bring have just begun.
