The Hughes High School Choir has again maintained its traditional position as one of the top high school choirs in Cincinnati. In addition to its participation in the Merry-Go-Round, Hello Hughes program, Thanksgiving, Christmas and Easter Assemblies, and in the Christmas and Spring Concerts at Hughes, the Choir has involved itself in many activities outside of school. One of the more prominent of these was singing with a combined high school choir in a program for Western Ohio music teachers. The Director of the Senior Choir, Mr. Bige Hammons, has been at Hughes for four years. Added to his multiple duties at Hughes, Mr. Hammans directs the Orpheous Club, and established men's singing group, sings in the Drama Music Guild, and teaches voice at the College Conservatory of Music. From Senior Choir, Mr. Hammans selects the Ensemble, a group of around twenty-five. Noteworthy of the Ensemble's numerous activities is a WKRC television program at Christmas. All is not work with no play for the 306 songsters, for their curriculum contains at least two social functions annually. The Choir banquet, a traditional fall event, is a memorable occasion for every choir member. The Choir picnic, held in Winton Woods, can be called nothing less than fun with indigestion for everyone.
