

## THE BOYS FOUGHT HARD IN SPITE OF LOSSES

Three Men Leap for the Pass, But Who Got It?

The 'brains' of the outfit was once again Howard Thomas. Since coming to Hughes Coach Thomas has had some excellent teams. However, he holds no regrets to the record of this year's squad and is, in fact, very proud of them. Mr. Raymond Hartker coached the Varsity backfield as he has in recent campaigns. Mr. Lloyd Williams has been coaching Big Red teams for the past three years, since his graduation from Miami University. He is a 190 lb. pack of dynamite and is used to get results from the line.

Coach Willard Hundemer, Mr. William's counterpart, was in charge of the Reserves this year, although he did help in coaching the Varsity.
