

## BIG SPLASH! HIGH HOPES GO DOWN THE DRAIN

The "Big Reds" mermen, concentrated their efforts on the development of the younger members of the squad. Although the Hughes swimmers didn't come home with the laurels, they were by no means a disappointment. The competition from the other schools was tremendously keen this year.

Seniors, Richard Zucker and Joe Compositor were the back-

bone of the team. Each boy registered points for the Hughes team in the P.H.S.L. meets held at Central.

Several underclass members of the squad look very promising for the future. A few of these fellows are Cleon Windgart, Ray Nulsen, and Richie Hollmeir. The future hopes of the team lies upon the shoulders of these boys, and the excellent coaching of Mr. Will Hundemer.
