NETMEN LINE THE FENCES

The '58" Hughes Racquet men, under the direction of Coach Howard Grimes, looked forward to a promising season. The loss of two letter men hurt the squad but their shoes were filled by Jim Daken, Don Osswald, and Ken Keller.

Cold weather and snow kept the team from practicing early this year, but with the advent of warmer weather, the net men swarmed the courts and began to work on their strokes.

Coach Grimes placed the main emphasis on form and under his guidance, the boy progressed rapidly.

Jim Daken, a junior, held down first singles while Don Osswald and Ken Keller filled the other singles assignments. First doubles was played by John Morrison and Steve Ranker.

Mr. Grimes experimented with second doubles to find the best combination.
