KEGLERS STRIKE NEW LANES

The 1958 varsity has three returning lettermen. They are Ron Ranson, Bob Grasser and Jerry Ehrnschwender. At the time the Annual went to the printers, the "Big Red Keglers" were in third place, looking forward to moving up.

In previous years, the varsity bowling team has been picked from the highest bowlers in the various inter-school leagues. But this year there was not enough interested in bowling to

have several leagues. As a result the six boys with the highest averages and the most interest were chosen to represent Hughes.

This year Hardisty Bowling Lanes played host to the Big Red team. The one inter-school league at Hughes bowled at St. Georges Lanes in Corryville.

In the past few years, Hughes has had many first places in the P.H.S.L.
