BASKETBALL COURT NOW IN SESSION

Fast action and good sportsmanship made up the basketball season. Led by Livia Kalejs, the girls practiced after school on Tuesdays and Thursdays for the playday. Dribbling and foul shooting were mastered under the supervision of Miss Mary Busser.

An event of interest is the annual "Battle of the Sexes" game in which the Hughes girls exhibit their skill against the masculine gender. Following the game, a dance is held at which "Mr. and Miss Hughes" are crowned.

The jump, and the game is underway.

"Strike three, you're out!" and "Duck, I've got it!" resounded in Fairview Park at the opening of the softball season. Eager G.A.A. girls swarmed across the baseball diamonds and begged the sports leader, Jody Drohan, to let them play their favorite position.

Miss Verlie Meyers, sponsor, calmed the girls and practice for the playday, Spring Sports Day, was begun. The participants were divided into teams and a captain was elected from each. The team captains then assigned each girl to the position she had chosen and arranged a batting order.

Softball was played two days a week after school, and Hughes was well represented at Lunken Airport in the inter-city competition.

DANGEROUS CURVES
