## PLUNGING IN

### Above

The swimming club, under the supervision of Miss Diane Mergler, sponsored a water pageant for the first time this year.

The pageant, given in the boys' pool, had one afternoon and one evening performance. The theme was a shipwrecked sailor and the sights he sees while marooned on an island.

There were eight groups participating in the pageant. Norine Muhlberg, sports leader, supervised practice every night after school. Each group practiced one night for half an hour with their individual heads. Group leaders were C. Bereskin, P. Cox, N. Muhlberg, R. Neumann, N. Shawman, S. Spiess, J. Wendell, and S. Williamson.

A free swim was held after school one day a week, the day varying with the season. A swim meet was held in the spring, for which tryouts were held.

### Below

Volleyball, a winter sport, was played after school on Tuesdays and Thursdays. The sponsor was Miss Verlie Meyers, and the sports leader, Carol Elwood. The girls practiced diligently to learn the basic techniques of serving, receiving, and scoring the game.

The participants were then divided into eight teams, each with a captain. These teams played a tournament during the sessions after school. The captains of these teams were: Sandy Hughes—team one, Sue Pedretti—team two, Bobbie Johnson—team three, Romaine Neumann—team four, Viola Macklin—team five, Kathy Penter—team six, Patricia Elahee—team seven, and Sylvia Pinkney—team eight.

After the tournament was completed, the girls began practicing for the playday on January 10. The playday was split this year, one-half at Central and one-half at Taft.

## HIGH NET RESULTS
