

JUNIOR COUNCIL ON WORLD AFFAIRS

The Junior Council on World Affairs, organized at Hughes last year, and composed of tenth, eleventh, and twelfth grade pupils, is associated with the City Council on World Affairs and receives the City Council's literature. The City Council also provides interesting speakers and films. The main purpose of the Council is to acquaint the students with the happenings of today's world. The highlight of the year is a World Affairs Institute to which six students and delegates from Hughes are sent. The delegates are usually seniors from the Council.
