Created in 1927, the members of Tausia Sorority strive to live up to their goals of high scholastic achievement and high ideals. The strong foundation of Tausia imparts to her members a firm belief in God and encourages the girls to seek new religious and educational horizons.

Among their numerous charitable activities are a visit to Allen House in the spring, contributing a Thanksgiving basket

to a needy family, and making a layette for a less fortunate child.

Balancing these charitable activities is a long list of social gatherings. These include a Christmas and Spring Formal, several date parties, and their annual Mr. and Miss Football Dance held at the beginning of the school year.

The girls of Tausia take great pride in one main group connected with them—their Mother's Club.
