Delta Chi Delta, founded at Hughes in 1924, strives to promote and maintain loyalty, honesty and lifelong friendship among its members.

The social activities of the Delts include their annual formal each spring, date parties and hayrides.

Their projects include selling lillies for the crippled children,

distributing Thanksgiving baskets for the needy and caroling at Christmas with Interfraternity Council. All these functions keep the Delts busy but happy.

The members are very proud of their pin, which consists of twenty-four pearls mounted against a gold and black background. The pin is triangular in shape.
